Extended Learning Grant Application 2016-17

Extended Learning Grants are awarded for learning opportunities that extend beyond the school day for students to improve academic skills in reading, math, science, social studies and/or reading. These grants may be used to purchase: materials, supplies and/or pay stipends for before or after school initiatives. District stipend guidelines must be followed when paying staff members. In addition, these grants should include an on-site coordinator to facilitate arrival and dismissal of students as well as student safety. Extended learning grants are awarded for classroom grants up to \$2,500 and building-level grants up to \$5,000.
